

- If a resident wishes to change vehicles prior approval must be obtained from the Program Director.

- In order to obtain approval to drive a motor vehicle the resident must turn in originals of the following documentation:
 - 1) Valid NC Driver's License
 - 2) A seven (7) year driving record
 - 3) A page from the individuals' insurance policy. * To include effective/expiration dates, the vehicle and the resident that is covered on the policy
 - 4) Correct registration
 - 5) A letter from the registered owner if the vehicle is not in the resident's name
 - 6) The vehicle must be at the center prior to approval

- Documentation verifying how vehicle was obtained is required prior to approval.
